

CARRYING PLACE
GOLF & COUNTRY CLUB

Winter Learning Centre

2017-2018

The Learning Centre is a great way to enhance your skills and keep your golf game in shape over the winter. Let our CPGA Professionals help you improve your game through high speed video and launch monitor analysis along with expert club fitting.

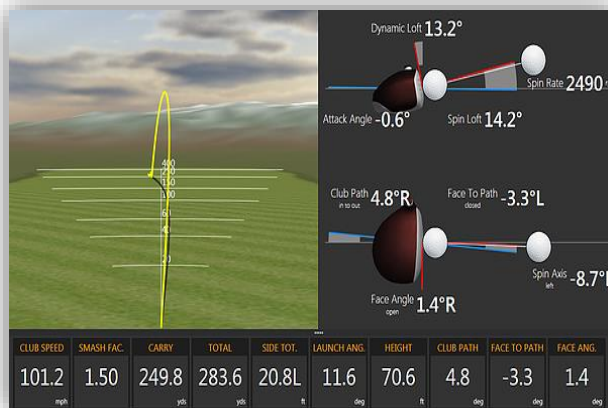

GREAT FEATURES FOR THIS SEASON

- 12 Week Season
- Winter Match Play Available
- CPGA Professionals available at all times for assistance
- TrackMan Launch Monitor
- Video Analysis
- E6 software including 20 courses
- 2 Full-Swing Hitting Stations
- Golf Equipment Demo Days
- Club Fitting
- Full use of Training Aids

TRACKMAN RADAR

TRACKMAN is the number 1 launch monitor in the golf world today. It is the best technology available for swing and ball flight data and analysis. With this launch monitor, we can look at your swing under a microscope to fine tune your game and help bring you to the next level!
